

LelaCHOICE Loan for Students and Parents

The LelaCHOICE loans are private education loans for students and parents.

The **LelaCHOICE Student Loan** is for undergraduate and graduate students. The **LelaCHOICE Parent Loan** is for parents and others who wish to help undergraduate and graduate students with college costs. The LelaCHOICE Loan is subject to credit approval. Applicants who do not meet the underwriting and credit criteria on their own may apply with cosigners. **Note:** Students cannot apply for or cosign an application for the LelaCHOICE Parent Loan. The student has no obligation to repay a LelaCHOICE Parent Loan, and it is not transferrable to the student after he or she leaves school.

Please note: Aspire Servicing Center has a contractual relationship with the Louisiana Education Loan Authority (Lela) wherein Aspire Servicing Center performs certain private student loan (private loan) services for Lela.

Repayment Choices

With the LelaCHOICE loan, the applicant chooses when to start making payments. The options and rates are the same for the student and parent loans.

The Immediate Payment option features our lowest rates. This option:

- ▶ Requires monthly principal and interest payments once the loan is fully disbursed to the college.
- ▶ Has a 10-year principal and interest repayment period

The Interest-Only Payment option:

- ▶ Requires monthly interest payments once the loan is first disbursed to the college.
- ▶ Features a six-month separation period when interest-only payments are required after the student graduates, drops below half-time enrollment or leaves school.
- ▶ Has a 10-year principal and interest repayment period

The Deferred Payment option:

- ▶ Postpones repayment until after the student graduates, leaves school or drops below half-time enrollment.
- ▶ Features a six-month separation period with no required payments.
- ▶ Has a 15-year principal and interest repayment period

In addition, unlike some lenders, **Lela never capitalizes interest during repayment.** That means you never pay interest on interest and can mean lower costs if you need to use forbearance to postpone payments at any point.

For more information, view the detailed examples on the following pages.

Repayment Benefits

Interest Rate Reduction

As a LelaCHOICE loan borrower, you can earn a 0.25% interest rate reduction¹ when you sign up to have monthly payments automatically withdrawn.

No Capitalized Interest

Lela never capitalizes interest during repayment. That means you never pay interest on interest and can mean lower costs if you need to use forbearance to postpone payments at any point.

Cosigner Release

In addition, LelaCHOICE student borrowers may apply to release any cosigners from payment obligations:

- ▶ After the first 24 consecutive monthly principal and interest payments are received on time.
- ▶ If you meet the underwriting and credit criteria at the time the cosigner release is requested.

Added Benefits for Graduate Students

(Effective for 2022-23 Academic Year)

Higher Loan Limit

No Cosigner Loan Option

Graduate students will have the option to apply with no cosigner. This option includes slightly more lenient criteria to be approved on your own.

Past Due Balance Extension

¹ The 0.25% interest rate reduction will apply once principal and interest payments begin to be automatically deducted and will remain in effect as long as automatic payments continue **without interruption** during the repayment period. The 0.25% interest rate reduction will not lower the monthly payment amount but will instead reduce the interest amount that accrues. The interest rate reduction will be suspended during approved forbearance(s) or if automatic payments are rejected due to insufficient funds. In addition, unlike some lenders, Lela never capitalizes interest during repayment. That means you never pay interest on interest and can mean lower costs if you need to use forbearance to postpone payments at any point.
